

RAMCO AVIATION SOLUTION LIVE AT FL TECHNICS

For Immediate Release: February 19, 2010

Lawrenceville, New Jersey – Ramco, the Global Aviation Maintenance & Engineering (M&E) and Maintenance, Repair & Overhaul (MRO) software provider, announced today that FL Technics has gone-live with its Aviation M&E / MRO Solution.

“FL Technics is a model Customer with a clear vision of providing Customer Service internally and externally. FL Technics Aircraft Maintenance and 3rd Party MRO obligations are being served with Ramco’s entire aviation software suite. We are proud to be the partner in providing the next generation software and technologies to FL Technics and their Customers”, said Jim Fitzgerald, Ramco’s president of global aviation solutions.

“Ramco’s aviation solution has helped us introduce best practice processes at FL Technics. Moreover, we were truly impressed by Ramco’s dedication to us during the implementation and thereafter. Ramco brings us cost competitiveness and will allow us to expand our business model in the near future. We are now ready to face the challenges of the upcoming decennia”, said Jonas Butautis, FL Technics’ Chief Executive Officer.

About FL Technics
